In the stomach and digestive and nutritive tracts are performed processes which are almost exactly like the churning of butter. Is it not apparent then that if this stomach-churn is foul it

makes foul all which is put into it?

The evil of a foul stomach is not alone
the bad taste in the mouth and the foul
breath caused by it, but the corruption of

It does for the stomach what the washing and sun bath do for the churn—absolutely removes every tainting or corrupting element. THE STATE MILITIA.

The soldiers of the state will this year receive \$10 for each man and officer present at the annual inspection in the fall. This is an increase of \$3 a man as compared with last year, and is about double that of the preceding year, when the apportionment was about \$5 for each man and officer.

The increased payments were made cossible by the increase given to the oldiers by the last legislature. What is more to the point, the money now available can be obtained on application by the company commanders. The re-800 men in the service of the state, the tal number at this time being 2,496 The various commands are for the most part in far better shape than at any time

The location of the new querters of the adjusant general is fixed and determined, three rooms being now assigned to the official. Quarters in the Schafer building in Richmond will be arranged by the first of the year.

Adjusant General Anderson says that

the money gives to the various companies will have to be used for company purposes solely, that is, for rent, light, junior service and the like. Provision was made for the pay of the expenses of two sergeants from regular army who have recently been

instructing the state militia. As yet the State Military Board has not chosen a site for the state encamp-

STOLE BABY'S BODY,

One of the most shocking crimes in the history of northern Montana occurred at Great Falls Thursday night, when, evidently with the purpose of demanding a ransom, grave robbers opened the grave in Highland cemetery containing the body of the infant son of Harfield Conrad, who died at Great Falls nearly a year ago, and stole the corpse. Harfield Conrad is the eldest son of William G Conrad, a millionaire democratic politican, who aspired to the vice presidential nomination at Denver

When the sexton went to the cemetery yesterday afternoon he found a small coffin lying near the gate. A search revealed that the grave of the Conrad haby had been opened during the night, and the body stoler.

There is so far absolutely no clew to the identity of the body spatchers Mrs. Harfield Conrad is prostrated, and was isken yesterday morning to the hospital, where her condition is critical.
